D'ECO downlight

Technical data sheet

DESCRIPTION

Domus lighting is pleased to announce the arrival of its NEW D'ECO range of LED down lights. The D'ECO LED down light has been added to our ever increasing EVERGREEN range of LED lighting products. This now extends the range of LED down lights and complements the newly released DLK range that remains at the top of the chain with regards to style, performance and pricing.

The D'ECO series has been introduced as a cost effective solution to energy efficient down lights and offers the customer a range of features not offered by others with similar products.
