HV9665
15w LED driver with MR16 lamp holder
12v DC constant voltage
Domestic use only
Flex and plug included
Must be installed using adequate ventilation
IP rating: IP20 <i>Indoor use only.</i>

HV9666
15w Indoor LED driver
12v DC constant voltage
Plug & play connector
Flex and plug included
Domestic use only
Must be installed using adequate ventilation
IP rating: IP20 <i>Indoor use only.</i>

HV9667
30w Indoor LED driver
12v DC constant voltage
Plug & play connector
Flex and plug included
Domestic use only
Must be installed using adequate ventilation
IP rating: IP20 <i>Indoor use only.</i>

HV9668
60w Indoor LED driver
12v DC constant voltage
Plug & play connector
Flex and plug included
Domestic use only
Must be installed using adequate ventilation
IP rating: IP20 <i>Indoor use only.</i>
