

# LED Globes

## BOSS G9 3000K - 3500K

Martec's Boss G9 globe is compact, super-efficient and excellent at producing huge amounts of light for tiny amounts of electricity consumption. Designed to retrofit into standard G9 fittings, the Boss G9 is also fully compatible with Martec's Quartz LED track lighting systems also available now. The Boss G9 offers simplistic, 360 degree lighting with a wonderfully ambient glow, perfect for small rooms or accent lighting.
