

Genesis Mini 5000K

The Genesis Mini LED down light is a beautiful and small footprint addition to any household, with incredible LED light output for its size. The Genesis Mini has incredible durability and a wonderfully modern design, with the added benefit of a recessed lip to reduce glare. The compact design of the Genesis, paired with the die-cast aluminium heat sink allow the unit to abut insulation, keeping the air in your house in the living spaces, not in your ceiling.

FEATURES

- /// 3 year replacement warranty
- /// Advanced die-cast heat sink diffusion
- /// High quality aluminium construction
- /// Dimmable LED light module - Reduces to 10% using Martec MTD300VA Trailing Edge Dimmer
- /// Long life energy saving LED technology
- /// IP44 Rated
