

FLEXI 24V RGB 5M KIT IP44, FLP24V5M/RGB

A creative 24V, 5m RGB, IP44, LED flexible strip kit

Application

Decorative residential features, bar areas, kitchens and stairs

Design Specifications

- Silicon covered 24V weatherproof LED flexible strip with 3M self adhesive tape
- Plug and play ready to use
- 5m length, cuttable every 100 mm at designated cut lines.

NOTE: when cutting LED strips, it is always important to calculate the remaining LED load to reconfirm its compatibility with the existing driver, as driver changes may be required with moderate reduction in loads

- IP44 weatherproof strip, IP20 driver
- **LED channel options refer this section**, heat sink required for system performance
