

## PIXIE MULTIFUNCTION REMOTE CONTROL SMCBT

Pixie multi-function remote battery control - digital remote control just got easier!

### Application

Ideal for residential designs, care homes where access to switches is difficult or restricted for the user and installations where additional wiring requirements is unrealistic

### Design Specifications

- Digital remote push button control with connectivity to any PIXIE device within 15 metres
- Simple, remote battery control with a blue LED function indicator
- Dim, switch with ease, no messy wiring
- Switch and dimming control is achieved only in conjunction with PIXIE devices or products. All devices must be paired once installed, for functionality.
- Standard colour - WHITE, 45mm diameter x 13mm hm, **order code SMC/BT** and don't forget about the very stylish covers **SRC/BTP** which are packed in sets of three (3)

### Performance

Dimmer Type - **BLUETOOTH**

### Technical Specification
