DIFFUSER

SD125-LFL-WH

SD125-LFL-SC

SD125-LFL

- Retro fit downlight flange
- For use with the SD125F and SD125 to fit holes 130mm-175mm

SD-DIF-SBF

- To fit SD125F downlight model only
- The Diffuser directs some soft light onto the ceiling reducing the cave like effect which downlights can give
- Keeps reflector clean
- Higher illuminance in smaller rooms as more light is reflected sideways
