

ASSEMBLY INSTRUCTIONS

STYLE# 22029

Carefully unpack all lamp parts from the carton.

1. Take the lamp carefully out of the Carton and place it on a flat surface.
2. Be sure the power to the installation point is power off.
5. Install **diffuser** onto fitters by fastening the **Mounting Ball**. Hand tighten until snug.
4. Thread the **Rods** onto the **Coupling** until snug.
5. Place the **Ceiling Canopy** over the **Mounting Screws** and thread **Mounting Balls** onto the **Mounting Screws** to secure it, Hand tighten until snug.
6. Refer to label on socket and install proper wattage bulb. (Not Included)

IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat this safety feature.
