A close-up photograph of a woman with blonde hair tied back, smiling warmly at the camera. She is holding a young child with blonde hair, who is also smiling. The background is a soft-focus outdoor setting with green foliage and pink flowers. A teal banner is overlaid on the right side of the image, containing the word 'EXTERIOR' in white capital letters.

LEGEND

SWITCHES

-  rocker switch
-  pull switch
-  pedal switch
-  cable switch
-  sensor
-  remote control
-  This luminaire can be switched on/off and dimmed by touching the specially designed "Touch Me" part of the fixture.

PROTECTION CLASS

The protection class indicates to what extent the lamp is protected against electric shock. All lamps in this catalogue are at least protected with the protection class 1 - a higher class is specified in the information box of the respective lamp.

-  protection class 1: protective earthing
-  protection class 2: protective insulation
-  protection class 3: protective low voltage

PROTECTION RATING

The protection rating ensures the operational safety of luminaires. The first number specifies the extent of the protection against the ingress of foreign bodies; the second number identifies the humidity protection grade. All luminaires in this catalogue are at least protected with the rating IP20 – a higher rating is specified in the information box of the luminaire.

-  IP44
-  IP54
-  IP65
-  IP67
-  IP68

LUMINOUS COLOUR / FLUX

The colours of the LED are represented as pictogrammes (see below), their luminous flux directly beneath. The luminous flux is quoted in lumen and describes the amount of light generated by the LED. The higher the value, the brighter is the lamp.

-  warm white (< 3300K)
-  neutral white (3300K - 5300K)
-  cold white (> 5300K)
-  colour changing
-  blue / pink
-  blue

FURTHER PICTOGRAMMES

-  replaceable LED
-  dimmable
-  not dimmable
-  incl. cable & plug
-  incl. cable & plug transformer
-  cutout (in mm)
- 

All previous catalogues and price lists are no longer valid with the issue of this catalogue. Errors, misprints, model and price changes and technical modifications are reserved. We deliver based on our terms of delivery and payment. Our products comply with the European light norm EN60598. Products with the ENEC test mark are conforming to the guide line 2006/95/EG. Products with additional safety remarks (e.g protection class, IP) are identified within the product family with the relevant symbol and number.

The content of this catalogue is protected under copyright law for EGLO Leuchten GmbH.
